RE: New Hackney Ladish Price Sheet HL 10-18

To Our Valued Partners,

Since our last full price sheet increase in March and our increase on caps, crosses and reducing elbows in May, Hackney Ladish has continued to experience price increases on raw material and freight, along with the addition of tariffs. As a result, Hackney Ladish is announcing a full price sheet increase.

Attached you will find the new Hackney Ladish Price Sheet, HL 10-18. This new sheet is effective immediately. You can also find the new price sheet on our website; www.hackneyladish.com.

Hackney Ladish is committed to the domestic weld fitting market and will continue to be your best source for domestic weld fittings.

Thanks for your continued support of Hackney Ladish.

Respectfully,
