RE: New Hackney Ladish Price Sheet HL 5-18

To Our Valued Partners,

Due to continued raw material price increases, Hackney Ladish is forced to announce price sheet increases on weld caps, reducing elbows and crosses.

The new Hackney Ladish Price Sheet, HL 5-18, represents an approximate 17% increase on weld caps, 15% increase on crosses and 10% increase on reducing elbows from the HL 3-18 sheet. The HL 5-18 sheet is effective immediately.

The new sheet will be posted on our website by Friday morning, 5/25/18. Our inside sales team will also be emailing copies of the sheet to their contacts.

Hackney Ladish is committed to the domestic weld fitting market and will continue to be "the most trusted name in domestic butt weld fittings."

Thank you for your continued support of Hackney Ladish.

Respectfully,
